Cut in aid given by Germany

768. SHRI S. MADHAVAN : Will the Minister of FINANCE be pleased to state :

(a) whether it is a fact that this year's aid package was slashed during Indo-German aid negotiations ;

(b) whether it is also a fact that there is accumulation of unutilised development assistance pledged to India during the last several years by Germany ;

(c) whether the German Development Aid Ministry has expressed its concern about the accumulation of unutilised aid ;

(d) if so, how much amount was received by India as financial and technical assistance from Germany and how much is unutilised ;

(e) whether Germany had been giving high priority for the development of infrastructure by promoting big economic sectors ;

(f) if so, whether Germany wants to shift their aid to the development of social infrastructure ; and

(g) if so, what are the reasons therefor ?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI RAMESHWAR THAKUR) : (a) Commitment of financial cooperation funds has been reduced by Germany from the earlier annual commitment of DM 395 million to DM 350 million for the year 1992.

(b) and (d) There is an inherent time lag between the commitment of funds and their utilisation in view of the procedural requirements on both sides. For the presently ongoing projects the German Govt. have committed an amount of DM 2.4 billion out of which an amount of DM 1.63 billion has been utilised thereby leaving a balance of approximately 0.77 billion. Loans for which project agreements have yet to be concluded amount to DM 0.8 billion. Technical assistance includes the value of services which are not quantified by Germany and hence no precise figure can be given.

(c) Yes, Sir.

(e) Yes, Sir.

(f) and (g) Both India and Germany agree on the need for maximum possible support to social infrastructure.

(b) whether it is a fact that the multinational companies insist on removal of these restrictions;

(c) whether it is also a fact that the Japanese industrialists want the removal of these restrictions to attract free flow of foreign investment in India; and

(d) if so, what is the reaction of Government thereto and what action has been taken thereon?
